# Pay-Net Employee Self Service (ESS)

## **Paystubs Online**

Conveniently enable employees to view paycheck stubs and other important details, including pay history, W-2's, tax withholdings, and time off balances.

### ESS / Human Resource Add-ons

Activate additional HR modules for employees to readily access more of their workforce tools:

Timekeeping

ants Enterorises LLC

- Employee Scheduling
- Benefits (coming soon)

## **Advanced ESS**

#### Employee Edits

Authorize employees to update and edit their personal information, including deductions, address changes, direct deposit and more.

#### **Document Management**

Manage HR files conveniently and securely through the online document portal.

#### **New Hire Onboarding**

Reduce paperwork for new hires with electronic onboarding.

#### **Approval Workflows**

Whether it's simply updating an Emergency Contact or requesting time off, save HR and managers valuable time with electronic notifications and workflows. Simplify HR administration across the organization, from HR to your employees.

With Pay-Net's ESS Kiosk, your employees gain greater access to their data, supervisors increase productivity, and HR can accomplish more in less time.
